Ministry Social and Family Development allows a Student Care Centre to observe half-days on the eve of any 3 public holidays (*Christmas Eve, *New Year Eve and *Chinese New Year Eve). In addition, the Centre is allowed to close **5.5 days** in a year. Being a school-based centre, we will also work closely with **Damai Primary School** to facilitate special school events.

Please make alternative child care arrangements on the centre closure days. We will inform you accordingly if there should be any additional closure or changes to the above mentioned dates.

Should you have any further clarifications, please contact **Mr. VINz** at: **90221121** or email at **damai@shgstudentcare.com.sg**

Thank you.

Yours Sincerely,

Mr VINz Tay
